In September, the COAD is remembering the tragedy of 9/11 and the fact that it is National Disaster Preparedness Month. The featured presentation will focus specifically on health preparedness and disasters. The meeting agenda, prior minutes, and any pertinent related information will be distributed to the membership on September 2nd. Last September, the COAD was a sponsor of the Kansas City Stair Climb that recognizes the efforts of responders in 9/11. The COAD is again proud to be a sponsor of such a worthy event.
