

MEMC and CDRN Annual Joint Meeting

Regional Planning Session: Emergency Preparedness and Continuity of Operations

October 8, 2026 | 1:00 PM – 3:30 PM

Networking until 4:00 PM

Cost is FREE – Registration Required

Location: Lee's Summit Fire Administration Building, 1001 NW Main St., Lee's Summit, MO

Hosted by the Metropolitan Emergency Managers Committee and the Community Disaster Resiliency Network

WHY ATTEND: Disasters are happening more frequently, becoming more severe, and creating broader impacts for communities, organizations, and the people they serve.

POTENTIAL IMPACTS

- Public transportation disruptions
- Delays in supply and delivery
- Strain on medical transport and healthcare access

WHO SHOULD ATTEND?

Organizations and partners who support populations with access and functional needs should attend. These individuals may require additional assistance before, during, or after an emergency because of communication, health, independence, transportation, language, economic, or other functional considerations.
