INTERNSHIP
OPPORTUNITIES

Emergency Management

Emergency management is a comprehensive discipline that involves a wide range of fields, bringing together people from diverse backgrounds to prepare for, respond to, and recover from disasters. The different disciplines work together to support the five mission areas of emergency management: prevention, protection, mitigation, response, and recovery.

Learning Opportunities

The KCR COAD has nine committees that offer hands on, real-world, and practical learning experiences:

- Access & Functional Needs
- Behavioral Health
- Children in Disasters
- Donations Management
- Health & Medical
- Long-Term Recovery
- Mass Care
- Planning, Training, & Exercise
- Spiritual Care
- Volunteer Management

Students from disciplines such as Emergency Management, Social Work, Psychology, Human Services, Finance, and more are welcome to apply. Internships are available throughout the year and the application process is competitive.

This is an excellent opportunity to learn from masters in the field and gain a competitive edge in the job market upon graduation.

We look forward to speaking with you!
