

COAD Spiritual Needs Committee

MISSION STATEMENT

The COAD Spiritual Needs Committee coordinates a multi-faith network of trained providers to deliver compassionate, non-proselytizing spiritual and cultural care during disaster response and recovery.

VISION STATEMENT

To be resilient community where every individual, family, and first responder receives equitable, compassionate, and seamless spiritual and cultural support through every stage of disaster recovery.

CORE VALUES

Inclusivity: Serving all individuals, families, and first responders equitably across diverse faiths, cultures, and backgrounds.

Compassion: Delivering empathetic, respectful, and comforting care to those experiencing the trauma of crisis.

Collaboration: Integrating seamlessly with emergency management and regional partners to strengthen disaster response.

Integrity: Providing strictly non-proselytizing, ethical support focused entirely on the needs of the community.

Resilience: Supporting long-term emotional and spiritual recovery to help our community rebuild and thrive.
