28	29	30				

In September, the KCR COAD is recognizing that it is Disaster Preparedness Month. Further, we will also be paying special recognition to it being the 24th anniversary of 911. Our General Membership meeting will center on these two important events and present meaningful content that pay tribute to both. More information is forthcoming.

The KCR COAD committee leads are continuing to build their respective memberships. In this process, the leads are determining how often they will meet, when, etc. As that information becomes available, these calendars will be updated. In the meantime, please refer to the links to each committee for further information such as lead contact information.
