There is no General Membership meeting this month, however the bi-monthly progress report to members will be distributed as usual to keep all informed. The Health and Medical Committee meeting will not occur this month because of FIFA work. Other committee meetings may not occur either because of FIFA obligations. Please check with the Chair(s) of whatever committee you have interest in to determine if there have been any scheduling changes. The COAD has added a 10th committee and that is for Spiritual Needs. Those meetings are TBA.
