It is hard to believe, but we are at the end of 2025 already! Your current leadership team has now been in place for just under a year. In accordance with that, on December 19th, the COAD will be sending out two important documents. The first is a comprehensive review of how we did in relationship to the 2025 Strategic Plan. The second

document will be the 2026 Strategic Plan. The Executive Team welcomes input from all of its members because our philosophy is, the group is comprised of everyone, and everyone needs and deserves to have a say in the direction that is taken. If you have thoughts, ideas, concerns about anything pertaining to the direction you would like to see the COAD go in 2026, please reach out to any member of the Executive Team prior to December 18th. There will be no General Membership Meeting in the month of December and our next scheduled one will be on January 14th at 1 p.m. ***Please also note that because of the holidays in December, some COAD committees may not be meeting as scheduled. Please contact the Chair of a particular committee to verify that the meeting will still be occurring if there is any question.***
